# Introducing the FilterWall™ Series

*A range of whole house water filtration systems to treat all mains water across your home.*

Transform your water with the Puretec **FilterWall™ F Series**, a 3 stage free-standing filtration system designed to be installed along your fence or the side of your house, and provide filtered water for the whole house.

Prioritise the health of your family with reduced chlorine in your water by up to 98% to ensure you have clean, great-tasting water from every tap. Experience the benefits of softer hair, less irritated skin, softer laundry, protected appliances, healthier plants and help the environment with less plastic waste.

Available in two different sizes and cartridge configurations to meet the flow rate and needs of your home, the FilterWall™ F aluminium cover is available in five core colours, and five custom colours (F5 & F6 models only) to match the palette of your home.

Save space with the **FilterWall™ IM2 Series**, a semi-recessed, in-wall dual filtration system to deliver filtered water to every tap across the whole house with reduced chlorine and sediment. All without impacting the clean lines of your home. Available in four colours to blend with your home (AU only).

# FilterWall™ IM2

An *in-wall* filtration solution designed to provide filtered water to your entire home.

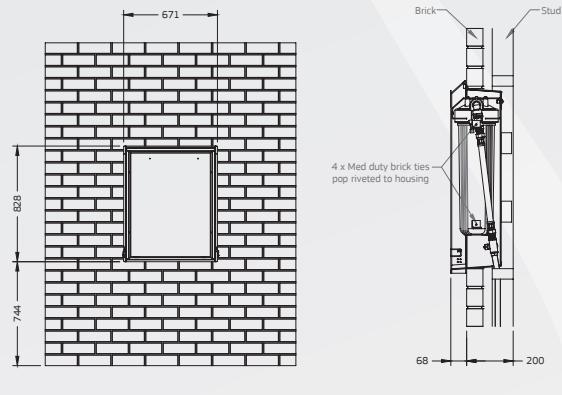

**FILTERWALL-IM2 20 INCH**  
1st: Fine Sediment Cartridge  
2nd: Chlorine Taste & Odour Cartridge

The FilterWall™ IM2 is an Australian first, semi-recessed, dual stage whole house filtration system combining style and function. The system is installed after your mains water connection, meaning all water is filtered before it enters your home to drink and bathe in.

The lockable cabinet has been designed to protect the filter from harsh weather, while also providing a stylish finish. A must have for any new-build home.

The FilterWall™ IM2 is available in four\* modern colours, Night Sky®, Monument®, Windspray® & Surfmist®, to fit the colour palette of your home.

**\*New Zealand:** FilterWall™ IMF2 - only available in Stone White. Additional 50mm frame within the unit specifically designed for garage installations.

Core Colours (AU only) from left to right: Night Sky, Monument, Windspray, and Surfmist.

Similar to COLORBOND® Surfmist® or COLORSTEEL® Cloud®. COLORBOND® and COLOURBOND® \*® colour names are registered trademarks of BlueScope Steel Limited. COLORSTEEL® and COLORSTEEL® \*® colour names are trademarks of New Zealand Steel Limited.

Puretec water care products are designed, manufactured and supported by Puretec Pty Ltd the name you can trust for variable and proven water solutions. The complete range of Puretec products are developed, refined, made to meet and exceed stringent specifications for the worldwide market.

All pictures and information are supplied as a guide only. Puretec reserves the right to change product specifications without notice. Whilst every endeavour is made to ensure accuracy, no responsibility is taken for any errors or omissions in detail. Important Note: Sales of products are subject to our Terms and Conditions which are available upon request. Warning: For correct operation of appliances it is essential to observe manufacturer's instructions. Caution: Do not use with microbiologically unsafe water or water of unknown quality without adequate disinfection before or after the system.

<sup>^</sup>10 year warranty is 1 year parts and labour, 9 years parts only. Excludes cartridges. Note: Refer to the Spec Sheet and User Guide for a full breakdown of installation requirements.
